

Garlic Jim's is a concept that was designed by a group of gentlemen with a whole lot of years of "National Chain" as well as "Local" pizza experience under their belt. All of them agree that the national pizza chains understand how to deliver a pizza quickly. They also have spent years looking high & low for a higher quality pizza that is delivered quick enough that you are still hungry when it arrives.

Specialty Pizzas

- Garlic Jim's Ultimate™** M 15.99 / L 18.99 / XL 21.99
Our classic combo. Pepperoni, Canadian bacon, spicy Italian sausage, black olives, red onions, mushrooms, green peppers & extra cheese.
